The information on this website is provided for general informational and educational purposes only. It is not intended to be, and should not be treated as, medical advice. While we work hard to share helpful, accurate, and up-to-date content, nothing on this site should ever replace the guidance of a qualified healthcare professional.

Always talk with your physician or another licensed provider before making decisions about your health, treatment, or care. Never disregard professional medical advice or delay seeking it because of something you read here.

2. No Doctor-Patient Relationship

Using this website, reading its content, or contacting us through it does not create a doctor-patient relationship between you and Wickenburg Community Hospital & Clinics or any of our providers. A relationship of that kind is established only through an in-person visit or a formal telehealth appointment with one of our healthcare professionals.

If you would like to become a patient or discuss your care, we welcome you to schedule an appointment with our team.

3. Emergency Notice

If you are experiencing a medical emergency, call 911 immediately or go to your nearest emergency room.

This website is not designed for emergencies. Please do not use our online forms, email, or messaging tools to report urgent or life-threatening conditions. When every second counts, calling 911 is the fastest and safest way to get the care you need.
